Let's Garden

Join me as we connect with nature through hands-on discovery activities, planting, nature walks, art, bug exploration, and stories. We will learn about the life cycle of plants and explore the land with our senses. Seeds, soil, water, and sun will get our garden growing. Picnic lunches outside add to camp fun and create new friendships and great summer memories.

Each day, campers bring their own snack/lunch/beverage and come dressed for the weather and activities.

- Leader:** Miss Kaye
When: June 2-5 (M-TH)
Time: 9AM -1PM
Bring a lunch & water
Ages: 4 - 5
Location: Rittenhouse
lower level

Kids in the Kitchen

Join me for some cooking fun in a hands-on environment. Each day we will make a delicious recipe that will be eaten at camp. We will learn about food groups; healthy choices and sweet treat choices. We will learn to measure, stir and pour; learn kitchen safety and etiquette; as well as learn proper table manners. Recipes may include: turkey and cheese roll up; watermelon and berry salad; muffins; individual pizzas; or strawberry banana smoothies.

Note: Food prepared during this camp may contain milk, dairy, wheat, and nut products.

Messy Art Fun

We will smile, laugh and have fun creating unique works of art. Kids are encouraged to be creative and expressive as they explore different media. Watercolor, oil pastels, sand, salt, bubble wrap, glue, glitter, stamps, newspaper, and nature will all be used. Each day will include an art lesson, games, stories, music, and physical activity.

Leader: Miss Kaye
When: June 16-19 (M-TH)
Time: 9am-1pm
Bring a lunch &
water
Ages: 4-5
Location: Rittenhouse

Cupcake Decorating

Do like cupcakes? Cookies? Being creative? Let's spend our morning together decorating cupcakes & cookies with color and candy. I will bring baked cupcakes, cookies, frosting, food items and treats to create tasty treats for you to take home or eat at camp. We may create butterflies, animals, flowers, funny faces or simply create our own designs. With candy, cookies, cupcakes, and frosting....it's hard not to have some fun.

NOTE: THOSE WITH FOOD ALLERGIES: This class uses many food products including chocolates, nuts, marshmallows, pretzels, milk, egg, wheat and others.

SJP Summer Camp - ROBOTS AND LEGOS (STEM)

Discover the magic of STEM Camp, where your child's passion, comes alive, brainstorming and using their imagination and creativity with everyone's favorite toy "LEGOS"! Join me for a week (M-Th) of exciting Lego based activities with bricks of all shapes and sizes. Campers will engage in challenges that boost gross motor and fine motor skills, sensory development using Legos and other building gears, blocks; hard and soft, as they "unleash" their imagination to create unique masterpieces/creations. Free play/building as well as following directions on their own and as a team, building together with other campers. From large to small Legos and everything in between, we will explore them all! We will end each day with various obstacle courses; outdoor and indoor fun (tunnel, hula hoops, playground to name a few). A lot of fun for everyone!

SJP Summer Camp - DINOSAUR FUN

During this camp, we will become dinosaurs, scientists and paleontologists!

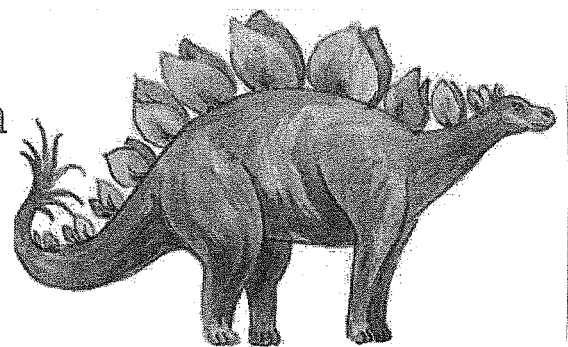

We may not have a time machine to take us back to when dinosaurs lived, but we can still have hands on learning experience about dinosaurs. Even though they are extinct, dinosaurs will become alive during camp! Come and learn about a variety of dinosaurs! There will be dinosaurs everywhere to play and we will "stomp" and "roar/growl" like one. We will assemble dinosaur puzzles, read themed stories, pretend we are paleontologists to dig/excavate for fossils. Sensory dinosaur bins "oh my"! Dance and get our wiggles out to dinosaur music, practice our coloring skills with various dinosaur color pages, age appropriate dinosaur worksheets; and dinosaur crafts and or science themed experiments, as we become scientists and eyes are believing: a dinosaur volcano small world, fizzy and or frozen dino eggs and even dinosaur footprint art! We will also be going to the "forest" (playground). Endless of fun for our "young dinosaurs".....and or "scientists".

Ages: 3.5 and older

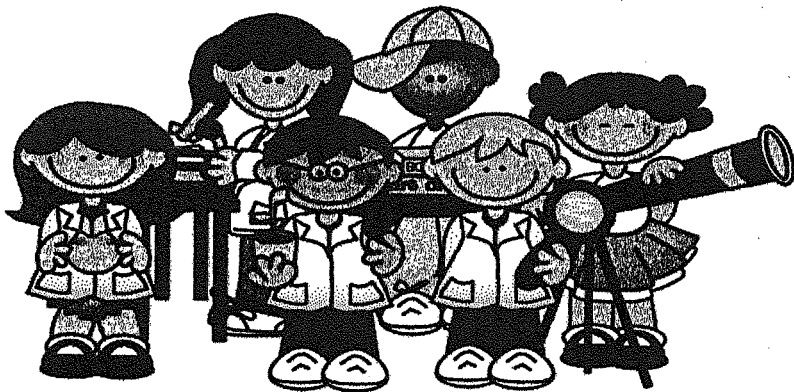

When: **June 9-12**

Time: 9:00 - 1:00 Bring Lunch

SJP Summer Camp - YOUNG SCIENTISTS

Our *Young Scientists* camp will certainly engage your curious child! Safety comes first in our Science Lab, so our Young Scientists would always start by wearing 'goggles', sit back, roll sleeves and start the day! I will present science to your child with hands-on take home experiments daily. It will be a fun filled day that your child will not stop talking about, from making new friends to play time (indoor/outdoor) eating lunch, as well as, learning scientific terms and explanations of various reactions and reading all about it. Couple of favorites; slime, play dough, dinosaurs, rocks, space just to mention a few as the explorations are endless! They will be amazed by the various chemical reactions, molecules, cross linking, activators WOW....KABOOM! A couple of items they will learn, use and be able to identify by the end of the week are: telescopes, magnifying glass, scales, measuring units, test tubes, beakers, magnet rods these are just a few and let's not forget their little hands for big messes and little faces filled by amazement! As Young Scientists, there will be no trace of evidence left behind! By the end of the week, they will have a better understanding of scientific concepts and confidence in their ability to explore and create. When: **June 16-19** Ages: **3.5 and older**

Time: 9-1 Bring Lunch

SJP Summer Camp – A WEEK AT THE BEACH

Come and join us for a week filled with Splishy, Splashy endless fun activities indoor and outdoor play for all the “Baby Sharks”, out there! If you can visualize: pools, beach balls, bubbles, spray fun, water relay races, water balloon games, matching duckies, gone fishing, seashell and sand fun digging, matching games even squirt shooters, everything and anything associated with summer..beach...sand..fish...water! oomph, I need a nap, this camp is for your little mermaids and sharks!

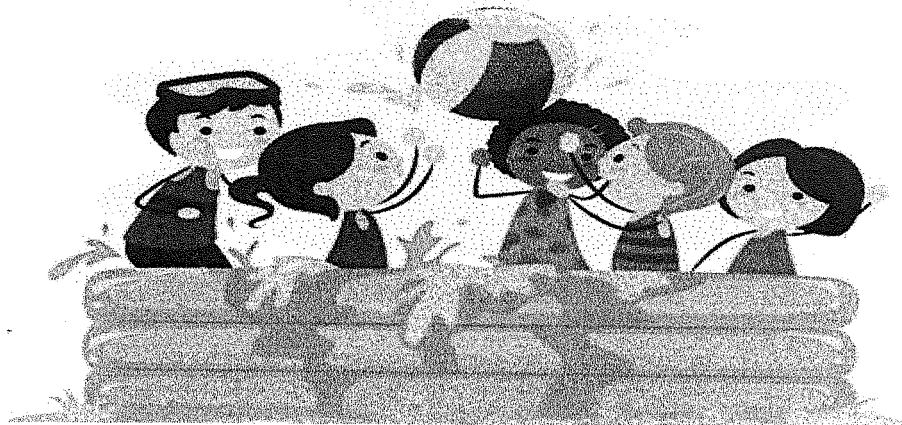

Regardless, rain or shine, indoors and outdoors, we are all going to get WET and have LOTS of FUN! Every day, they will take home a summer/beach themed craft they will learn about ocean life, the season (summer) and of course reading themed stories! Come dressed in their swim suit (under their clothes) and bring additional change of clothes and a towel as if it's their feet or hands they will get WET!!! A lot of fun for everyone! Don't forget to wear sunscreen as we will be going to the playground as well!
