WEEK 1 - June 1-4

Teacher	Theme/Title	Age Group	Location
Krista Molloy	**Aloha Camp (9:30-12:30)**	**2's & 3's**	**Rittenhouse Nursery**
Somewhere over the rainbow is a magical place called Hawaii. We will spend this week talking about ocean animals, tropical fruits, waterfalls, and of course THE BEACH! So much fun each day as we escape to paradise with our crafts, sensory bins and hula dancing!			
Rosella Fonte	**Let's Sensory Play (9:30-12:30)**	**3's & 4's**	**Rittenhouse Top Floor**
Sensory play includes hands-on, unstructured, activities like sand play, finger painting, or water tables to help children explore, learn, and self-regulate. Students will explore frozen "things" and de-freeze, work with sand use shaving cream and other discovery toys for exploring their five senses! Must be potty-independent.			
Kaye Schrinel	**Let's Garden with Miss Kaye**	**4's & 5's**	**Rittenhouse Basement**
A hands-on nature camp where children plant seeds, explore bugs, create nature art, and discover how gardens grow through outdoor play and exploration. Picnic lunches and shared activities help build friendships and summer memories. Please pack a snack, lunch, and drink daily and dress for the weather. Must be potty-independent.			
Vasilia Ravaris	**Robots and Legos**	**4's & 5's**	**J2 Classroom**
Campers will engage in challenges that boost gross and fine motor skills and sensory development using Legos and other building blocks. They will unleash their imaginations to create unique masterpieces! Must be potty-independent.			
Stacey Kidney	**Space Camp**	**4's & 5's**	**J1 Classroom**
We will explore the nine planets, Earth, Moon, Sun, stars. We will build rocket ships with Legos and blocks. We will also create moon rocks, and our very own constellations. We can't wait to let our imaginations Blast Off! Must be potty-independent.

WEEK 2 - June 8-11

Teacher	Theme/Title	Age Group	Location
Krista Molloy	**Minds in Movement! (9:30-12:30)**	**2's & 3's**	**Rittenhouse Nursery**
Spend the week having fun with music, instruments, exploring different ways to move, play and dance. In addition to gross motor skill activities, we will fine tune (see what I did there?) our fine motor skills with arts and crafts related to our day.			
Rosella Fonte	**Let's Be Artists (9:30-12:30)**	**3's & 4's**	**Rittenhouse Top Floor**
Students will use finger paints, watercolors and washable paints (as well as many other art materials) to create their artwork! Students will be encouraged to use paintbrushes other than the "norm" (bottoms of soda bottles, peppers, pinecones, sticks? Whatever they would like to imagine!) Must be potty-independent.			
Kaye Schrinel	**Kids in the Kitchen**	**4s & older**	**Rittenhouse Basement**
A fun, hands-on cooking experience where campers mix, measure, and prepare simple recipes to enjoy together. Children learn about food groups, healthy choices, kitchen safety, and table manners while building confidence and teamwork skills. Please inform us of any food allergies and dress for hands-on cooking activities. Must be potty-independent.			
Vasilia Ravaris	**Dinosaur Fun**	**3.5 and older**	**J2 Classroom**
Let's take a time machine back to the time of the dinosaurs and play paleontologist! We will learn all about dinosaurs, create our own fossils, make a model volcano and create dino themed art! Let's stomp, roar and growl together! Must be potty-independent.			
Stacey Kidney	**Under the Sea Camp**	**4's & 5's**	**J1 Classroom**
We will explore creatures of the sea: whales, crabs. dolphins, starfish, fish etc. We will create art projects of the creatures. We will also learn about salt water, waves etc. The four different oceans. We will do sand art and create our own ocean in a bottle. Must be potty-independent.
