

## St. James' Preschool 2026-2027 Class & Tuition Schedule

Classes begin in September 2026 and end in May 2026. Classes fill on a first-come, first-serve basis and are secured when payment is received. This includes a non-refundable application fee of \$100 for returning students and church members OR \$125 for community/new students; a commitment payment of one month's tuition (becomes May 2027 payment); and a supply fee of \$100/student. For families with multiple applications, after the first full application fee, all subsequent applications are \$50 each. All commitment payments and supply fees are due in full for all students. We do offer a 5% sibling discount on tuition only (supply fee in full).
