

summer CAMP

June 2026

All camps run Monday-Thursday

-2-year-olds and 3-year-olds are 9:30am-12:30pm Camp Fee \$150

-4 & 5-year-olds are 9:00 am-1:00 pm Camp Fee \$175

Please pack a change of clothing, water bottle and bring a lunch each day.

Registration will be through Brightwheel. Your child qualifies for their class age group this year ('25-'26) and their "rising" class age group next year ('26-'27). Look for applications under the

"Forms & Requests" tab in your child's profile beginning March 9th.

Camp T-shirts are available for purchase with your registration (please indicate size and color).

WEEK 1 - June 1-4

Teacher	Theme/Title	Age Group	Location
Krista Molloy	<u>Aloha Camp (9:30-12:30)</u> FULL	2's & 3's	Rittenhouse Nursery
Somewhere over the rainbow is a magical place called Hawaii. We will spend this week talking about ocean animals, tropical fruits, waterfalls, and of course THE BEACH! So much fun each day as we escape to paradise with our crafts, sensory bins and hula dancing! This camp is full. Please make another selection.			
Rosella Fonte	<u>Let's Sensory Play (9:30-12:30)</u>	3's & 4's	Rittenhouse Top Floor
Sensory play includes hands-on, unstructured, activities like sand play, finger painting, or water tables to help children explore, learn, and self-regulate. Students will explore frozen "things" and de-freeze, work with sand use shaving cream and other discovery toys for exploring their five senses! Must be potty-independent.			
Kaye Schrinel	<u>Let's Garden with Miss Kaye</u> FULL	4's & 5's	Rittenhouse Basement
A hands-on nature camp where children plant seeds, explore bugs, create nature art, and discover how gardens grow through outdoor play and exploration. Picnic lunches and shared activities help build friendships and summer memories. Please pack a snack, lunch, and drink daily and dress for the weather. Must be potty-independent. This camp is full. Please make another selection.			
Vasilia Ravaris	<u>Robots and Legos</u>	4's & 5's	J2 Classroom
Campers will engage in challenges that boost gross and fine motor skills and sensory development using Legos and other building blocks. They will unleash their imaginations to create unique masterpieces! Must be potty-independent.			
Stacey Kidney	<u>Space Camp</u>	4's & 5's	J1 Classroom
We will explore the nine planets, Earth, Moon, Sun, stars. We will build rocket ships with Legos and blocks. We will also create moon rocks, and our very own constellations. We can't wait to let our imaginations Blast Off! Must be potty-independent.			

summer CAMP

Continued...

WEEK 2 - June 8-11

Teacher	Theme/Title	Age Group	Location
Krista Molloy	<u>Minds in Movement!</u> (9:30-12:30)	FULL 2's & 3's	Rittenhouse Nursery
Spend the week having fun with music, instruments, exploring different ways to move, play and dance. In addition to gross motor skill activities, we will fine tune (see what I did there?) our fine motor skills with arts and crafts related to our day. This camp is full. Please make another selection.			
Rosella Fonte	<u>Let's Be Artists</u> (9:30-12:30)	3's & 4's	Rittenhouse Top Floor
Students will use finger paints, watercolors and washable paints (as well as many other art materials) to create their artwork! Students will be encouraged to use paintbrushes other than the "norm" (bottoms of soda bottles, peppers, pinecones, sticks? Whatever they would like to imagine!) Must be potty-independent.			
Kaye Schrinel	<u>Kids in the Kitchen</u>	FULL 4s & older	Rittenhouse Basement
A fun, hands-on cooking experience where campers mix, measure, and prepare simple recipes to enjoy together. Children learn about food groups, healthy choices, kitchen safety, and table manners while building confidence and teamwork skills. Please inform us of any food allergies and dress for hands-on cooking activities. Must be potty-independent. This camp is full. Please make another selection.			
Vasilia Ravaris	<u>Dinosaur Fun</u>	FULL 3.5 and older	J2 Classroom
Let's take a time machine back to the time of the dinosaurs and play paleontologist! We will learn all about dinosaurs, create our own fossils, make a model volcano and create dino themed art! Let's stomp, roar and growl together! Must be potty-independent. This camp is full. Please make another selection.			
Stacey Kidney	<u>Under the Sea Camp</u>	4's & 5's	J1 Classroom
We will explore creatures of the sea: whales, crabs, dolphins, starfish, fish etc. We will create art projects of the creatures. We will also learn about salt water, waves etc. The four different oceans. We will do sand art and create our own ocean in a bottle. Must be potty-independent.			

WEEK 3 - June 15-18

Teacher	Theme/Title	Age Group	Location
Krista Molloy	<u>Aloha Camp</u> (9:30-12:30)	2's & 3's	Rittenhouse Nursery
Somewhere over the rainbow is a magical place called Hawaii. We will spend this week talking about ocean animals, tropical fruits, waterfalls, and of course THE BEACH! So much fun each day as we escape to paradise with our crafts, sensory bins and hula dancing!			
Kaye Schrinel	<u>Messy Art Fun</u>	4's & older	Rittenhouse basement
A creative art camp where children explore a variety of materials while making unique, expressive artwork. Daily activities include art projects, stories, music, games, and active play in a fun and supportive environment. Please dress your child in clothes that can get messy. Must be potty-independent.			
Vasilia Ravaris	<u>A Week at the Beach</u>	FULL 3.5 & older	J2 Classroom
Join us for a week of splishy, splashy fun activities both indoor and outdoor! All our Baby Sharks will enjoy baby pools, beach balls, bubbles, spray fun, water relay races, water balloons and more! Bring a towel and wear your swimsuit under your play clothes – we WILL GET WET☺! Must be potty-independent.			

This camp is full. Please make another selection.

WEEK 4 - June 22-25:

St. James' Episcopal Church Vacation Bible School

Visit the church website for more information and registration details!
